

Sample Academic Regulations

Attendance

- Students are expected to maintain at least 75% attendance in each course.
- Attendance shortages may affect eligibility to appear for examinations according to institutional rules.
- Approved medical or official leave must be submitted through the prescribed procedure.

Examinations

- Students must carry their valid identity card to examinations.
- Electronic devices are prohibited unless specifically permitted by the examination authority.
- Students must follow the instructions of invigilators.

Academic Integrity

- Plagiarism, cheating and unauthorized collaboration are prohibited.
- Submitted academic work should represent the student's own contribution.
- Violations may result in disciplinary action according to institutional procedures.

Course Registration

- Students must register for courses within the announced registration period.
- Prerequisites must be satisfied before registering for advanced courses.
- Changes to course registration require approval from the appropriate academic authority.

General Conduct

- Students must maintain professional and respectful conduct on campus.
- College facilities and equipment must be used responsibly.
- Students must comply with official notices and institutional policies.
